

12 HOURS AT SOHO • OF MÁLAGA •

We propose to you a 12-hour event at the Soho of Malaga. The so-called 'Barrio de las Artes' (the Art Neighbourhood) is a place that is full of life and dreams, hopes and adventures, creation and recreation. A place full of history with experiences galore.

We'll get deep into the **Malaga Graffiti Route**. Obey, D*Face, Boa Mistura, Faith47 are graffiti artists with high prestige whose works of art you'll discover along the way in this neighbourhood along with the birth of some of the local street artists.
